Anne Arundel County Department of Inspections and Permits Announces Guidance on Hydrologic and Topographic Site Design

The Anne Arundel County Department of Inspections and Permits has published a guidance memo on hydrologic and topographic conditions as they relate to site design for development projects.

County Code provides the department to require more than minimum control requirements if hydrologic or topographic conditions warrant.

The [guidance memo](#) provides more details.

For information regarding plan review, please contact Bob Murphy, PE, Engineer Manager, 410-222-7577 or ipmurp00@aacounty.org.

For site inspections questions, please contact Samantha McAllister, Code Administrator, 410-222-7964 or ipmcal24@aacounty.org.
